

STEWART GYM RENOVATION MOVES FORWARD

Students and faculty are looking forward to a state-of-the-art student center featuring:

- A grill and a gaming center
- A stage for coffeehouse performances
- An expanded Trask Terrace
- Multiple entrances and seating areas
- A covered porch facing the track
- And much more...

Thanks to the generous support of alumni, parents, and friends of The High School, we are on schedule to begin construction in January and re-open in September 2016.
