Daniela Holt Voith

Daniela Holt Voith is the cofounder of Voith & MacTavish Architects (VMA), which celebrated its 20th anniversary in 2009 with a special exhibition at the Athenaeum of Philadelphia. VMA is famous for the diversity of its projects, combining some attributes of modernism with the smarter mainstays of tradition. VMA has designed schools, religious buildings, private homes, and performing arts centers. Voith, a Yale School of Architecture graduate, was named to Mayor Michael Nutter's City Zoning Code Commission. (Courtesy of Voith Mactavish Architects, LLP.)
